

Parish Council Sub -committee Traffic Issue update (25th Sept)

Just a latest update, which we is not too much of an inconvenience to everyone concerned.

Based on the RMBC Traffic Delay Report, the upcoming traffic management issues specifically located in **Wentworth** and **Harley** (within Hooper Ward) are ordered below by **severity of traffic impact**:

1. High Impact: Signals Required

- **Location:** Hague Lane, Wentworth (In carriageway and footway O/S Garden Centre)
- **Traffic Management: Two-way Signals**
- **Dates:** 30/09/2026 to 07/10/2026
- **Description:** Overhead span ultra-lightweight fibre cable installation between telegraph poles.

2. Moderate Impact: Lane Restriction / Minor Incursion

- **Location:** Clayfield Lane, Wentworth (Near to 34 Main Street)
- **Traffic Management: Some Carriageway Incursion**
- **Dates:** 27/08/2026 to 09/12/2026
- **Description:** Scaffolding erected to facilitate emergency roof and chimney repairs.

3. Low Impact: Priority / Give and Take

- **Location:** Coach Road, Harley (Adjacent the junction of Hoodhill Road)
- **Traffic Management: Give and Take**
- **Dates:** 02/10/2026 to 07/10/2026
- **Description:** Excavation of trial holes by Yorkshire Water to verify route and service locations.
- **Location:** Occupation Road, Harley (Opposite number 47)
- **Traffic Management: Give and Take**
- **Dates:** 02/10/2026 to 07/10/2026

- **Description:** Excavation of trial holes by Yorkshire Water to verify route and service locations.

:

*(Note: While other areas of Hoover Ward such as Brampton Bierlow and West Melton have major **Road Closures** and **Multi-way Signals**, none of the road closure-level severe works fall directly within the boundaries of Wentworth or Harley villages themselves.)*

A word too, about Parking on Friars Croft, near Rockingham Arms, please note that the residents are finding it difficult to park there when they are suffering with health issues, by virtue of a variety of people parking in the cul-de-sac, when there is free parking just across the road. Would those people, for example those attending events at the Mechanics, hirers of the hall and Carers who visit their sick and elderly people, please consider parking in the main car park.

Your anticipated cooperation is greatly appreciated.

Any feedback is greatly received.

Best,

Cllr Steve Peace
